

Marcos Porto

Junior Software Developer
[React](#) | [Ruby on Rails](#)

About Me

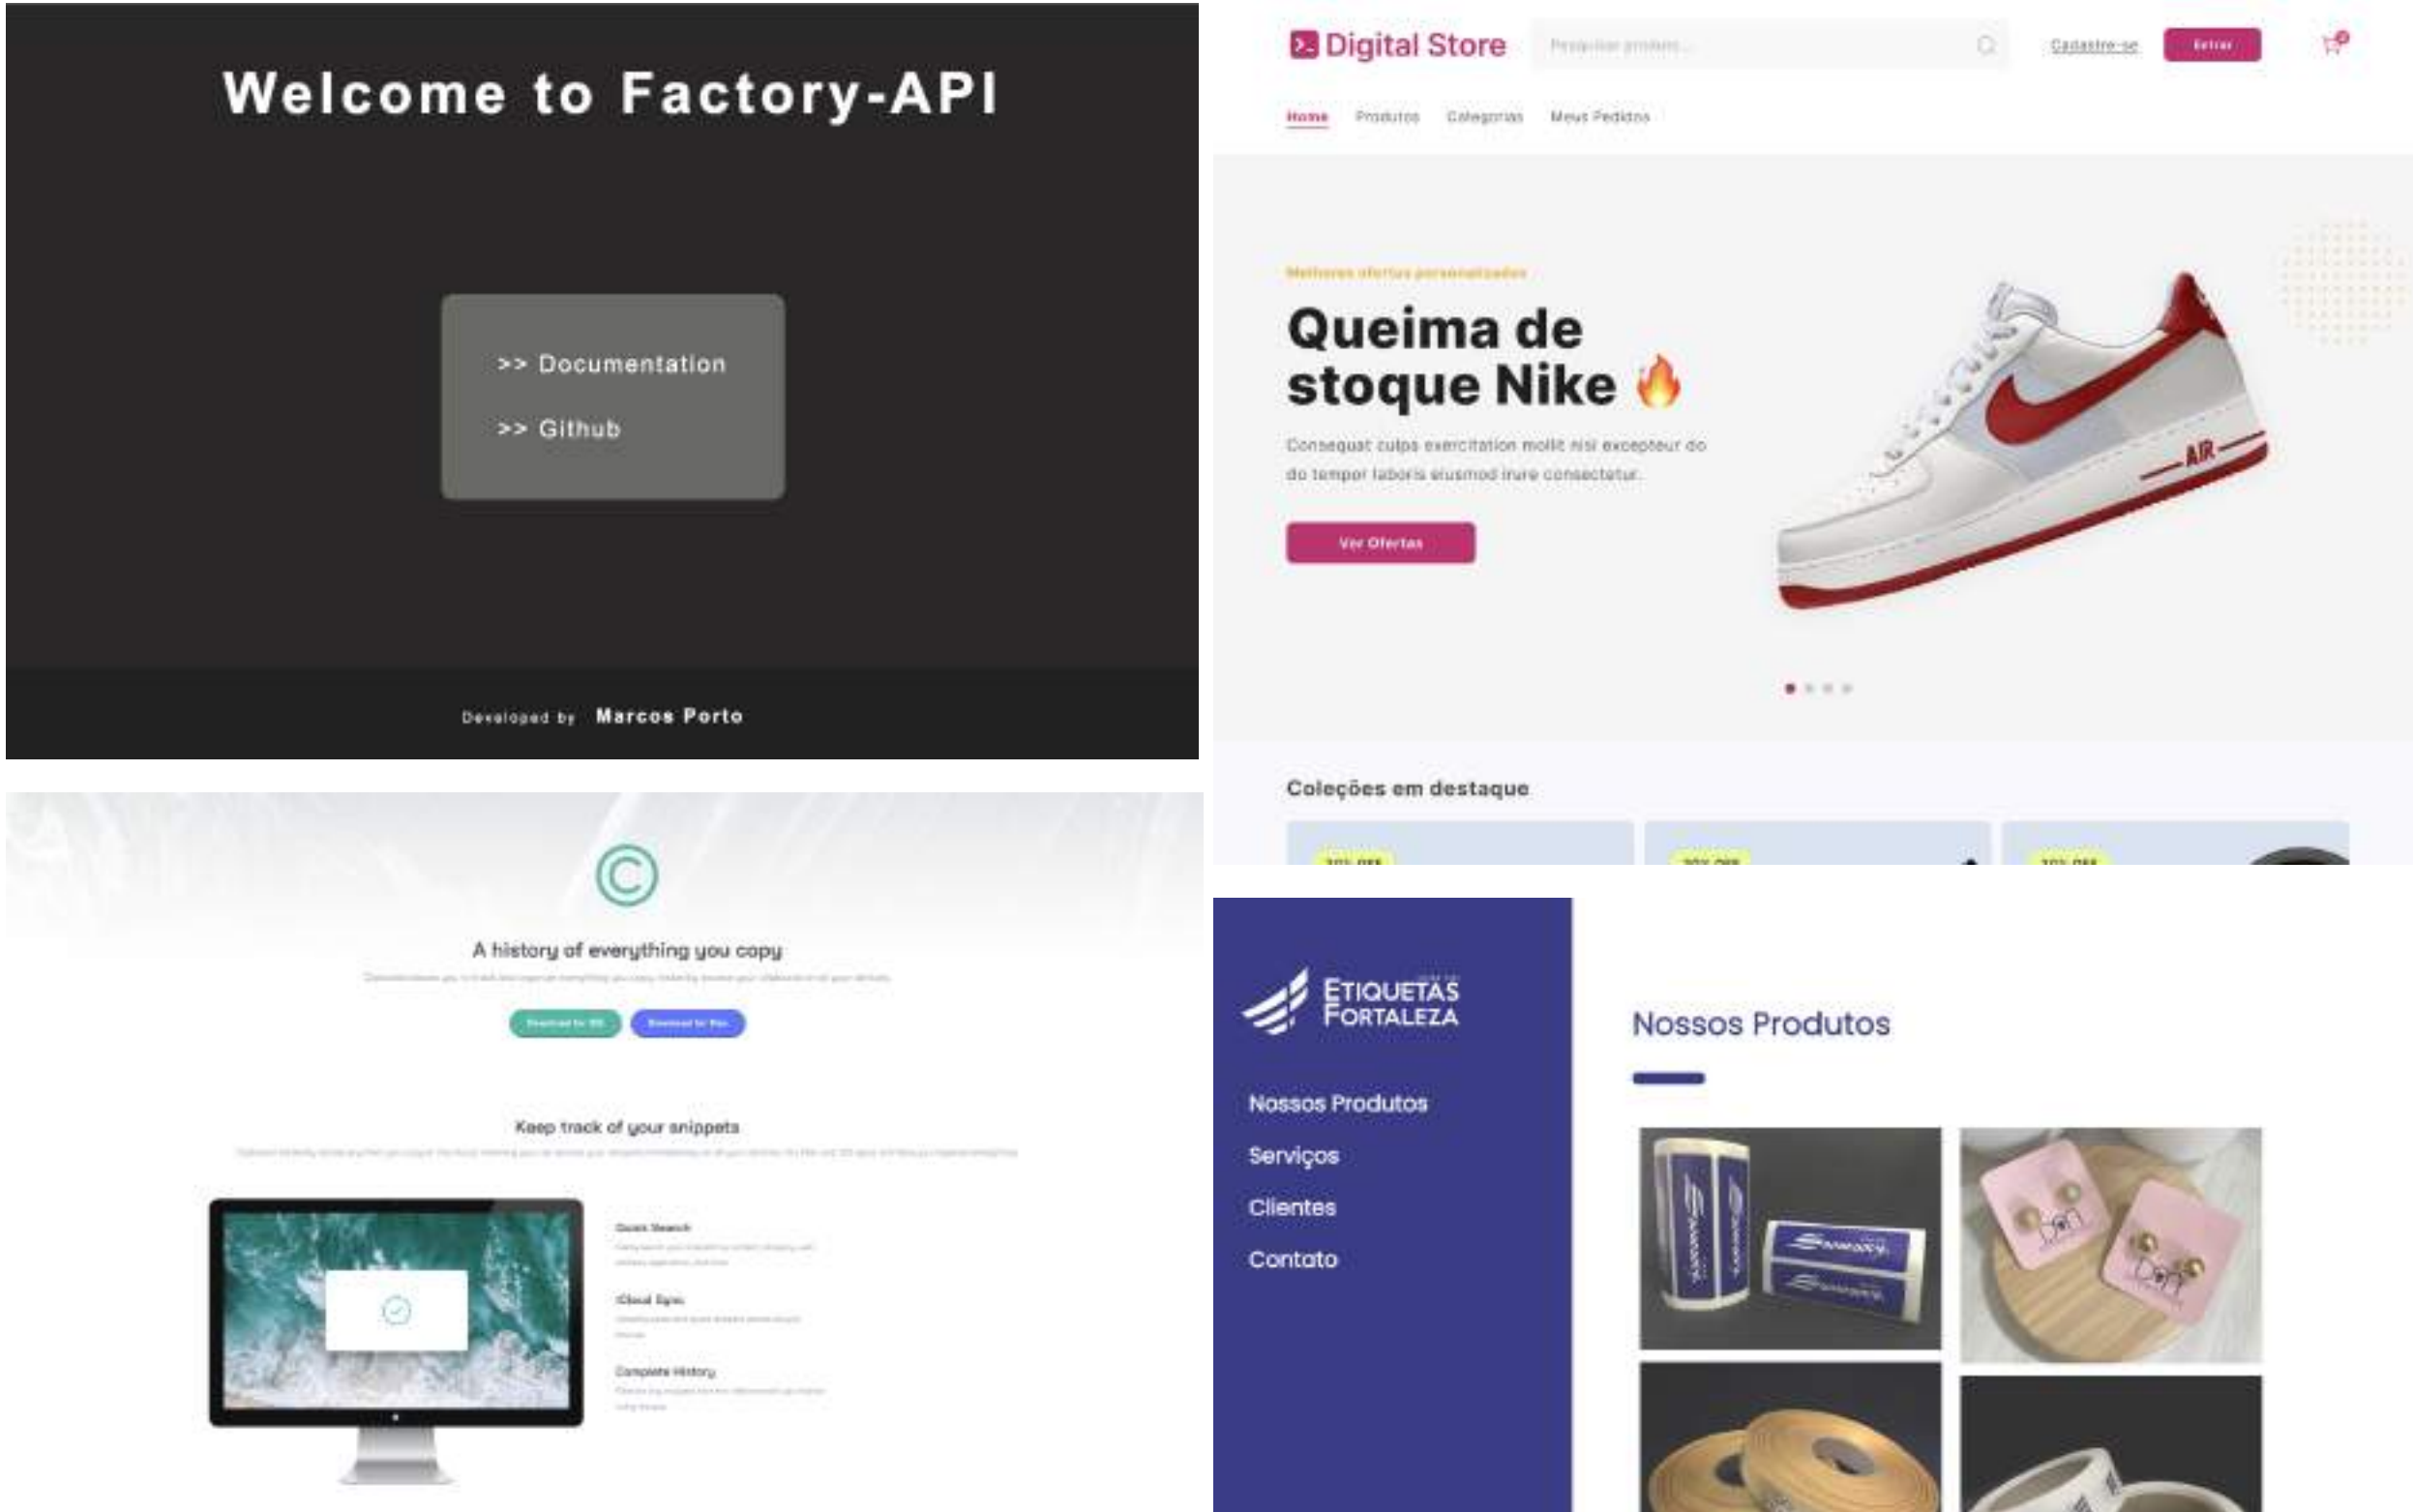

Hello! I'm Marcos 🙌 I worked for about 8 years as a Production Engineer in business administration, however, for over a year I've been dedicating myself to completing the career transition to software development. As a result, I've reached front-end skills and lately on Ruby on Rails, which I'm really enjoying. Finally, I am motivated by new challenges, able to work autonomously, and quickly grasp new concepts.

Age	33
Email	mrcsporto@gmail.com
Whatsapp	+55 (85) 99752-3466
Address	Fortaleza, Ceará, Brazil
